Carps Cabin

CarpsCabin is an established and friendly company with two stores in Holland. The intention is that our stores are somewhere that customers will be most welcome to visit or just pop in and discuss their needs over a cup of coffee. We are delighted to once again be a WCC Section Sponsor and we see it as a superb opportunity to promote our business to a wider market.

Hutchy's The Original Bait Company Ltd

Hutchy's is very pleased to be associated with the WCC, and we are certain that the promotional value of being a section sponsor is very beneficial to the company. On a personal note, I have taken part in the competition for a number of years now, once coming second in our section, which was pleasing, and Hutchy's will have good presence there again this year.

We are extremely pleased to be a section sponsor for the WCC and wish all of the contestant's good luck in the event. May the best pair win!
